

# MODULE THREE

## *Choosing Purpose Projects*

## CHOOSING YOUR PURPOSE PROJECT

Your Purpose Project is the opportunity that aligns with your purpose. Making the right choice requires that you draw up a list of available opportunities, shortlist them in line with your purpose statement and begin to explore them.

Choosing your purpose project brings your purpose to life. It helps you see the many possible ways you can use your potential goldmine to add value and make a difference.

**ASSESS:** Do a brain dump of opportunities in your current space that you would like to get involved in?

**CUT-DOWN:** Ask yourself the following questions and list which the opportunities above that align with them.

**Does it align with who I am? Does it support who I am becoming? Does it align with my purpose statement?**

**ELECT:** Choose at least one of them and explore.

What opportunity will you explore and what actions will you take towards it?

When will you engage with it? Set a date
